

QUESTIONS FOR REFLECTION AFTER READING CHAPTER 4

1. 'Now, both of them were naked, the man and his wife, but they felt no shame before each other' (Genesis 2: 25). What will we do to promote an unselfish, devoted, respectful and natural sex life?
2. What thoughts do we have about being God's co-workers in sustaining human life, and how conscious are we of our vocation to love also being a vocation to care for life from conception to natural death?
3. What similarities are there between the Christian worldview and ecology?
4. How will we manage our *equal responsibility* for our fertility and family size?
